

IMAGINE

For Just a Moment a NEW Car almost FREE

It can be yours with the impressive and generous CAR Program offered by Stemtech!

SENSATIONAL REWARDS

As a reward for Building your Business, not only by yourself, but at the very core of helping others do what you do, you can earn **EXTRA** Bonuses to be used to pay for a vehicle lease, or you may even decide to take the commissions and use as you like.⁷

Such a simple system with sensational rewards...here is how it works

You will need to fulfil the following requirements for 3 consecutive months, and once you do, the extra bonus kicks in on your 4th month and EVERY month you continue to meet these requirements. As your Business grows, so does the Bonus! Just imagine what you could be driving, for almost FREE!....and the message that it sends to your friends and family.

And now the fine print.

- Distributors of all ranks are eligible for the Car Bonus Program if released in your country.
- For the purposes of qualification and maintenance you may use either personally enrolled Distributors OR Retail Customers, on AutoShip, or a combination of both.
- The bonus is paid monthly.
- A Distributor may qualify to receive only one Tier at a time.
- A Distributor must meet the qualification requirements for a given Tier for three (3) Consecutive months before earning the bonus. The bonus starts paying in the 4th (fourth) Month.
- A Distributor may purchase/lease the vehicle upon completion of the initial third (3rd) month of qualification. The purchase/lease agreements must be in the Distributor's name(s).
- 50% of bonus achieved will be awarded in commissions, if the Distributor elects NOT to purchase a vehicle.
- Distributors may purchase a new vehicle, not necessarily a BMW but can either be a) a vehicle of your choice or b) a second hand vehicle after submission of preferred vehicle to Stemtech for approval.
- When the vehicle is purchased it MUST have a corporate branding/ wrap/ decals fitted at all times and be made available for photo shoots for corporate publications as required.
- Enhancements start September 1st, 2012
