

StemFlo

90 capsules per bottle

Triple Action Support

StemFlo® delivers a triple-action response to supporting your body's general health & wellbeing. Comprised of a proprietary blend of all natural herbs and special nutrients, StemFlo® helps maintain blood flow by providing the following:

- **Blood Circulation** – StemFlo® contains proteolytic enzymes and herbal extracts that help maintain blood circulation to the peripheral areas of the body, maintaining blood flow in smaller blood vessels and capillaries.
- **Reduces Oxidative Stress** – StemFlo® contains potent antioxidant ingredients that can help neutralize free radicals and help keep oxidative damage in check.
- **Delivery of Nutrients** – StemFlo® contains ingredients which have been shown to deliver nutrients to peripheral areas of the body.

The result is a reduced oxidative stress and assistance in blood circulation. By helping to maintain blood flow, StemFlo® supports the delivery of nutrients throughout the whole body.

In clinical studies, the ingredients in StemFlo® have shown to help maintain blood circulation to the peripheral areas of the body and promote general health.

General Benefits

- May assist blood circulation
- Contains potent antioxidants.
- Can help neutralize free radicals.

| FEATURES | BENEFITS |
|--|--|
| Vitis Vinifera (Grape) | Helps maintain optimal blood circulation and delivers nutrients to the peripheral areas of the body, through enhanced circulation in smaller vessels and capillaries. Contains anti-oxidants that can help neutralize free radicals. |
| Uncaria Tomentosa (Cat's Claw) | Provides antioxidant support, promoting general health. |
| Phyllanthus Emblica (Indian Gooseberry) | Supports the maintenance of peripheral circulation and the neutralization of free radicals. |
| Citrus Limon (Lemon) | Provides antioxidant support to reduce oxidative stress. |
| Curcuma Longa (Turmeric) | Supports the maintenance of general health and wellbeing through the antioxidant properties of turmeric. |
| Ribes Nigrum (Blackcurrant) | Supports the antioxidant activity of the product, keeping oxidative damage in check. |
| Protease | Supports the maintenance of peripheral circulation, promoting health and wellbeing. |

INGREDIENTS/LABEL

StemFlo is a proprietary blend of herbs and all natural ingredients that help maintain optimal blood circulation, reduce oxidative stress and deliver nutrients to peripheral areas of the body.

StemFlo

| Each Capsule Contains: | |
|--|----------|
| Citrus Limon (Lemon) Fruit Extract Dry Concentrate equiv to dry | 500.0 mg |
| Curcuma Longa (Turmeric) Rhizome Extract Dry Concentrate equiv to dry | 834.0 mg |
| Phyllanthus Emblica (Indian Gooseberry) Fruit Extract Dry Concentrate equiv to dry | 866.4 mg |
| Protease | 66.7 mg |
| Ribes Nigrum (Blackcurrant) Fruit Extract Dry Concentrate equiv to dry | 996 mg |
| Uncaria Tomentosa (Cat's Claw) Stem Bark Powder | 133.3 mg |
| Vitis Vinifera (Grape) Fruit Without Juice Extract Dry Concentrate equiv to dry | 1.75 g |

Directions for Use: Take 3 capsules, 1 to 2 times daily between meals. Use only if the cap seal is unbroken.

Store below 30°C. Keep out of reach of children.

USAGE

Take three capsules, once or twice a day between meals.

FOR YOUR INFORMATION

Vegan 2 part capsule.

No sugar, artificial colours, artificial flavours, dairy, yeast, or preservatives.

If you are currently taking other proteolytic enzymes you may want to consider discontinuing them as they are also in StemFlo.

Proteolytic compounds are known to have anti-coagulant properties. Persons who suffer from clotting disorders or who are on anti-coagulant medications should consult their treating health care practitioners prior to taking StemFlo.

ALWAYS READ THE LABEL. USE ONLY AS DIRECTED
