

# st5™ WITH MIGRASTEM™

## Infuse your Tissues and Organs with Stem Cell Nutrition

### Maintain your body's natural renewal process for optimal health and wellbeing

Adult stem cells are widely known for their ability to repair and renew tissues and organs within the body. But as we age, our natural ability to repair decreases, often making it more difficult to recover from injury and increasing exposure to the possibility of health-related issues. Because of this, stem cell nutrition is imperative for overall health and wellbeing, as it helps to maximize the use of your stem cells.\*

### A multi-faceted dietary supplement that does what other supplements cannot

Patent-pending ST-5 with Migrastem quickly and conveniently provides the daily balanced nutrition you need to maximize the use of your own stem cells and create a "feel good" sense of vitality and stamina. Gently flavored with vanilla, ST-5 with Migrastem contains more than 30 nutrients and antioxidants; boasting a non-soy, all vegetable protein with sesame extract in a new smoother formula. The supplement is also considered an excellent source of fiber, and may act as a pre-biotic supporting intestinal health.\*

### The power of Migrastem

The difference with ST-5 with Migrastem is, in fact, the Migrastem; a powerful proprietary blend of natural ingredients that has been documented to assist the body's natural renewal process by encouraging adult stem cells to migrate into tissues. Our formula also serves a full line of Vitamins A, B, C, D and E, along with calcium, magnesium and zinc.\*

### The Synergy of Stemtech's Stem Cell Physiology

Working in-tandem with StemEnhance® and StemFlo®, ST-5 with Migrastem further supports the migration of adult stem cells to tissues and organs in need – helping to maintain maximum renewal efficiency; this trio of products orchestrates a greater level of stem cell nutrition and preventative care. To learn more about StemEnhance and StemFlo, visit our Product page at [www.stemtech.com](http://www.stemtech.com).

FEATURES	BENEFITS
14 grams protein per serving	Research has shown that protein increases satiation (feelings of satisfaction and fullness) which helps you stick to a healthy diet and caloric intake.
Contains protein from brown rice, pea and amaranth	Provides high quality protein, no cholesterol, and no saturated fat.
Contains Migrastem, a proprietary patent pending blend of unique nutrients.	Assists your body in optimizing its natural ability to renew, refresh and rejuvenate!
Maca	Supports a balanced sustained energy that will work WITH the body to create a feel good vitality and stamina, plus it has been shown to support a healthy libido for men and women.
6 grams of soluble fiber	6 grams of fiber with 5 grams coming from soluble fiber, both supporting intestinal health.
All-natural Multi-Vitamins and Minerals	Due to the declining nutrient content of our foods, it is vitally important to supplement. We know that nature knows best and recent research suggests that some synthetic forms of certain vitamins may be harmful to your health.
Enzyme Blend	Assists in the digestion of proteins and carbohydrates therefore aiding in bioavailability.
Natural vanilla flavor, sweetened with pure evaporated cane juice	No artificial flavors or sweeteners. Naturally and gently flavored and sweetened (each serving has about the same amount of natural sugar found in a small apple).

## INGREDIENTS / LABEL

Stemtech's patent pending ST-5™ with MigraStem™ is the ultimate source of daily nourishment. It delivers an exceptional formulation of plant-based protein, high potency vitamins and minerals, fiber, digestive enzymes, and antioxidants to promote optimal health—all in one easy, delicious scoop.<sup>†</sup> ST-5 contains the exclusive MigraStem, a proprietary blend of nutritious superfoods that has been clinically documented to assist the body's natural renewal process by supporting the ability of the body's own stem cells to migrate into the tissues and organs in need.

**ST-5™ con MigraStem™** un producto de Stemtech, con patente pendiente, es la fuente máxima de nutrición diaria. Entrega una mezcla excepcional de proteína vegetal, fibra, minerales, y vitaminas de alta potencia; junto a enzimas digestivas y antioxidantes, para mantener la salud óptima, todo esto en una mezcla deliciosa. ST-5 contiene el exclusivo nuestra exclusiva MigraStem, una fórmula de nutrientes super alimentos, que ha sido clínicamente documentada como capaz de apoyar la habilidad de las células madre de migrar a los tejidos y órganos en necesidad, promoviendo el proceso de renovación del cuerpo humano.

WARNING: As with all dietary supplements, it is recommended that you consult your physician if you are pregnant, nursing, under treatment for any illness or taking anticoagulants, or other medication. Keep out of reach of children and pets. Do not use if safety seal is broken. Use as a dietary supplement only. Not for weight reduction.

ADVERTENCIA: Como cualquier suplemento dietario se recomienda que consulte a su médico si está embarazada, lactando, está recibiendo tratamiento para alguna enfermedad médica o está tomando medicamentos. Mantener fuera del alcance de niños y animales domésticos. No lo utilice si el sellado de seguridad está roto. Utilizar únicamente como un suplemento dietario y no se debe usar para controlar su peso.
