Invite Nature to be a part of your daily lifestyle

Stemtech was first to discover a ground-breaking way to support everyone in their daily lifestyles. Our Advanced Formula now brings a new discovery to the forefront featuring a unique formulation.

SE2® stands out in the supplement world! SE2® is the world's first supplement in its category made from natural ingredients designed to support your ability to release your inner potential so you can enjoy the lifestyle of your choice.

A patented-pending, proprietary blend of extraordinary ingredients starting with AFA Concentrate.

Customers express their satisfaction. The results are consistent with our double-blind crossover study, where SE2® StemRelease™ Complex was tested.

| FEATURES | BENEFITS |
|--|--|
| Aphanizomenon flos-aquae (AFA Concentrate) | AFA used in SE2® is harvested in the wild from the deep waters of Klamath Lake using a patented proprietary process that maintains the unique properties of AFA and ensures the purity of the harvested product. |
| Undaria Pinnatifida | A marine alga from pristine ocean environments around the world well known for its unique properties. Our fucoidan is extracted from Undaria Pinnatifida using a proprietary extraction process strictly based on water, no alcohol or other solvents, providing for the purest product. |
| Cordyceps Sinensis | Is a fungus that naturally grows in the high plateaus of Tibet, Nepal and parts of China. In SE2®, Cordyceps brings a unique synergy with the other two ingredients. |

FAQ'S

What is the benefit of taking SE2®?

SE2® is the world's first supplement in its category made from natural ingredients designed to support your ability to release your inner potential so you can live the lifestyle of your choice.

How long does SE2® work in the body?

The effect of two capsules (1100 mgs) of SE2® lasts up to 3 hours.

What is SE2® made from and how is it different than just whole Aphanizomenon flos-aquae?

SE2® is a patented blend of proprietary nutrient-dense concentrates of Aphanizomenon flos-aquae (AFA). Whole AFA, on the other hand, is not concentrated. The AFA concentrate is much more potent than whole AFA.

FOR YOUR INFORMATION

Vegan 2 part capsule

Gluten-free with no added sugar, artificial colors, artificial flavors, dairy, yeast or preservatives.

Vitamin K in SE2®:

Like many foods, SE2® contains naturally occurring vitamin K, Two capsules have approximately 21 mcg of vitamin K (for further reference, half a cup of raw chopped broccoli has roughly 100 mcg of vitamin K and half a cup of boiled spinach has about 540 mcg of vitamin K).

Label statement:

Consult your physician if pregnant or nursing. (Many products carry such warnings out of an abundance of caution rather than any known pregnancy risk. We know of no evidence that consuming SE2® during pregnancy creates a health risk).

PEA:

AFA contains a naturally occurring compound known as Phenylethylamine (PEA). PEA is naturally produced by the brain whenever one feels content and happy; it has been described in literature as "the molecule of happiness." Consumption of PEA helps promote positive effects on mood.
