

1 fluid ounce (30 ml)

Dermastem Advanced Serum is a breakthrough serum that revitalizes the appearance of the skin, restoring and maintaining its youthful vibrance. Dermastem Advanced Serum's all-natural ingredients provide support for the skin's own natural processes.

THE VERY BEST INGREDIENTS, EITHER CERTIFIED ORGANIC, OR WILD- HARVESTED, ARE BLENDED WITH INNOVATIVE PROCESSING TO PRESERVE THE DELICATE ESSENCE OF EACH ONE.

Dermastem Advanced is a powerful serum that deeply penetrates your skin to create optimal results with its proprietary blend of AFA, Aloe Vera, Fucoidan, Cehami and Vanilla, that was documented to increase the proliferation of skin stem cells by more than 225%.

This rejuvenating serum is proven to visibly reduce fine lines and wrinkles while gently tightening your skin.

The serum promotes the natural healing process, reviving the skin.

Early clinical tests have demonstrated dramatic results (see graphs).

REDUCED FINE LINES AND COARSE WRINKLES

INCREASED MOISTURE RETENTION

INCREASED ELASTICITY

SKIN COLOR BRIGHTNESS/LIGHTNESS [L*]

*Defined as the most natural, untanned skin tone of each individual.

AVERAGE AGE SPOT REDUCTION (%)

FEATURES	BENEFITS
Dozens of organic or wild-harvested plants with individual properties to fight the signs of premature aging have been assembled from around the world	A unique product that can return your skin to its youthful appearance.
Cyathea medularis (Black Mamaku), Aloe barbadensis (Aloe Vera) and berries are extracted using a cold infusion process so that the delicate essences of all the plants are preserved.	Each anti-aging ingredient is delivered in its most powerful, effective form for greatest benefit.
No mineral oils, preservatives, chemicals, solvents or alcohol.	The all-natural emulsion of natural oils disappears instantly into the skin for immediate effect and no residue, without potential toxicity.
Exclusive to Dermastem Advanced Serum : RejuvHyal™, a proprietary form of N-acetyl glucosamine which enhances the appearance of the skin, helping it to appear smoother and more youthful.	Younger looking skin feels tighter and smoother, and has a radiant glow.
Exclusive to DermaStem Advanced Serum: A blend of six Cytokines that support the natural action of the skin's adult stem cells.	Outer vibrance comes from the rejuvenation of the surface of the skin, producing a more youthful appearance.
Natural, novel ingredient extensively studied for safety and efficacy to reduce age-spots.	Skin has a more vibrant glow in addition to a smoother, more even appearance.
