- * No more than 50% from any one leg.
- † PPV and DGPV requirements are the same for primary and secondary options.
- ‡ To advance to Director you need to do the following:
Achieve 100 PPV and 5,000 GPV – Can use 3 consecutive months, must have minimum 2,500 GPV in qualifying month. Must have 100 PPV in all months.
- § To be paid as a Director: You need 100 PPV, 1000 DGPV and create one leg in which an Independent Business Partner achieves the rank of Director. You are then entitled to a 3% generational override on the BV of the 1st generation Director's Group Point Value (DGPV).
- || Maintenance: To continue to get paid as a Director, you will need 100 PPV, 1000 DGPV in the current month and 1 "Active" Director.
- ¶ To advance ranks: the advancing Director and all Director Legs must be fully qualified in the advancing months.
- || Fully Qualified Director: A Director who has met the 100 PPV and 1,000 DGPV requirements in the current month. Higher Director-level titles also have higher PPV, DGPV, Active Director Leg and OGV requirements.
- || Active Director: A Director who has "fully qualified" in one of the past three months and maintains a monthly volume of at least 100 PPV. "Active" Directors (if not fully qualified in the current month) do not earn Generational overrides, but can still earn TeamBuilder and Prosperity bonuses if they have the required APPV.
